

Nail Art Pen Steps

Peace & Love Steps

The Nail Art Pen is such a versatile tool, used with water based paint you can draw just about anything. Applied over gel polish here is a fun step by step, spread a little love, grab your self a Nail art pen and write out your message today.

- Step 1. Apply base coat and two coats of gel polish white.
- Step 2. Apply a bright base colour, I am using neon yellow and cure.
- Step 3. Apply a second coat of yellow at the top part of the nail, do not cure.
- Step 4. Apply an orange in the centre part of the nail, and blend the two together with a small detail brush and cure.
- Step 5. Do the same again with a red towards the free edge and blend the three colours together, and cure.
- Step 6. Top coat the nail, cure and remove inhibition layer,
- Step 7. Gently buff the surface of the nail to remove the shine.
- Step 8. dip your nail art pen into black paint and write your message.
- Step 9. Apply top coat and cure.
- Step 10. Remove inhibition layer and oil.
